Meters are read between the 15<sup>th</sup> and 20<sup>th</sup> of each month and bills are mailed at the end of each month. All bills are due and payable by the due date printed on each bill (between the 10<sup>th</sup> & 12<sup>th</sup> of the month) and if not paid on/or before the due date a 10% late charge will be assessed on the outstanding balance.

When water bills become 60 days past due or if the balance outstanding amounts to \$40.00 or more, service will be discontinued WITHOUT FURTHER NOTICE and a \$75.00 RECONNECT FEE will be charged to resume service. Your water bill is the ONLY NOTICE you will receive. We do not mail second notices. When making a payment please bring your bill. A .50 cent fee will be charged if you fail to do so.
